

1

Pose les multiplications sur la partie droite (utilise un carreau par chiffre)
Ecris le résultat en ligne sur la partie gauche.

$\rightarrow 423 \times 12 =$

$\rightarrow 656 \times 43 =$

$\rightarrow 145 \times 18 =$

$\rightarrow 427 \times 34 =$

$\rightarrow 762 \times 22 =$

$\rightarrow 920 \times 54 =$

A large grid of graph paper for performing multiplication problems. The grid is composed of small squares, with a vertical margin on the left side for writing the results of the calculations. The grid is intended to be used for the multiplication problems listed on the left.
